SUMMARY

Recently Engineering Graduate with a passion for Software Development. Specialized in Java, SQL, and Frontend tools. I believe bringing design to life with code is essential. Seeking a position to take forward my career and the company's growth with my skill set.

SKILLS

Technical Skills	Core Java, JDBC, Hibernate, Servlet, SQL, HTML, CSS, JavaScript, Tailwind, Git, and GitHub
Soft Skills	Problem-Solving, Creative Thinking, Teamwork, and Time Management

EXPERIENCE

TRAINEE   10/2023 – Present
JSPIDERS (Noida)
- Comprehensive training in JAVA Full Stack Development covering Frontend, Backend, and Frameworks.
- Hands-on experience with Web Applications and Databases like Oracle SQL and MySQL.

INTERN   06/2023 – 09/2023
BUGENDAITECH PVT. LTD. (Remote)
- Learned Web Development Technologies.
- Contributed to the development and maintenance of websites under the guidance of senior developers.
- Collaborated with a team and successfully developed a Multi-Player Bingo Game using HTML, CSS, JavaScript, PHP, and SQL Databases.

TRAINEE   06/2022 – 07/2022
NTPC (Kanti, Muzaffarpur)
- Gained hands-on experience in power plant operations, maintenance, and safety protocols.
- Collaborated with multidisciplinary teams to optimize power plant efficiency, showcasing strong teamwork.
- Adapted quickly to changes in priorities and a fast-paced environment.

EDUCATION

Bachelor of Technology (Electrical and Electronics Engineering**)**   2019 - 2023
- Motihari College of Engineering
- CGPA - 7.48

Intermediate in Science (PCM**)**   2017 - 2019
- BCBD College Kharuana
- Percentage – 74.4

PROJECTS

Hospital Management System
- Designed using core Java, JDBC, and MySql.
- Implemented features like Add Patient, View Patients, View Doctors, Book Appointment, etc.

Multi-Player Bingo Game - [Click Here](#)
- A team project where we designed and implemented core game functionality using HTML, CSS, JavaScript, PHP, and SQL.
- Implemented features like generating a new link, start game, call game, restart, view card etc.

EXTRA-CURRICULAR ACTIVITIES

Techno-Management Fest (IIT Kharagpur)
- Participated in events like 5G & IoT (CISCO), Multirotor Quadcopter (MSME), etc.
